December 2017

Dear Longhorn Families,

Welcome to the month of December! December is a hectic month as many of you are getting ready for the winter break and holiday celebrations. We hope you are able to find time to enjoy this time of year with family and friends.

This is a great time to find a way to give back to someone else. Do something nice for the members of your family or neighbors. It is simple and costs nothing. Take your neighbor's garbage cans out to the street for pick up. The members of your family can pick names and plan to do something kind for that person. It costs nothing to show kindness and it makes you and the person you showed kindness to feel good. We can all use a way to feel good during the busy month of December.

No matter how you spend your month we hope you are able to attend our special events with your children this season.

Holiday Craft Night

We have our holiday craft night on December 7th. This is a free event for the first 150 Laguna students. Each student is able to make crafts to give as gifts for family members. We invite Santa and your children can take pictures for \$3 and this year we will have a face painting table for \$1. The event is from 5:00 - 7:00 pm in our MPR. Santa Shoppe will be open on the stage.

Holiday Performance

Our first grade students have been working hard to put on a holiday show on December 20th. Students are learning songs, dances, and singing parts. It is sure to be an event not to miss!

As always thank you for the support you show your students! Happy December.

Sincerely,
Jacqueline Camacho
