

Laguna Newsletter

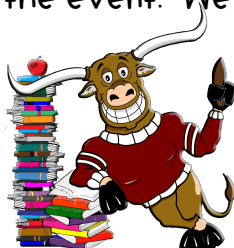

February 2018

Dear Longhorn Families,

Welcome to February! This month we have a lot going on. Every year during the month of February we celebrate our *Love of Reading*. We invite guests to read their favorite books in our classrooms during the week of February 5th and we extend that invitation to you as well. If you would like to read in your child's classroom please call the reading lab to arrange a time, 696-8457 or 696-8461. We also encourage everyone at home to *read instead* of watching TV, YouTube, or playing video games during the week. Students who bring their "I read instead" paper earn a prize. Good reading skills are fundamental to adult success.

At the end of February our students in 5th and 6th grade display their science fair projects. This is a time for students to work on a project over a period of time. Students began projects in November as they searched a topic. They should be at the end stage of experimentation at this point. Our Science Fair is on February 27th at 5:30 p.m. During the day judges come in to rate projects on a rubric scale. Families are invited to come see projects and the outcome of judging in the evening. If you know someone who would be able to judge please him/her contact Mrs. San Julian, 696-8493.

On Tuesday, February 20th we invite all of our grand-parents to visit us for breakfast. You will find a permission slip attached to the newsletter to complete. Breakfast costs \$3.00 and you get to spend time with your grandchildren. Mrs. Molina and the 6th grade students will also be available to take a picture to remember the event. We hope to see you there.

Sincerely,
Jacqueline Camacho

Laguna Newsletter

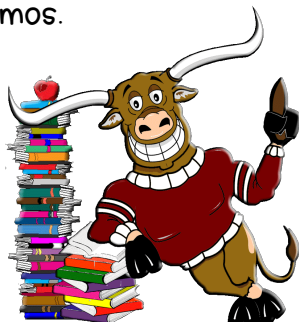

febrero 2018

Estimadas Familias Longhorn,

¡Bienvenidos a Febrero! Este mes tenemos muchas cosas pasando. Cada año durante el mes de Febrero celebramos nuestro amor a la lectura. Invitamos a visitantes a leer sus libros favoritos en nuestras clases durante la semana del 5 de Febrero y extendemos esta invitación a usted. Si usted quiere leer en la clase de su hijo por favor llame al laboratorio de lectura para arreglar un horario, 696-8457 o al 696-8461. También animamos a todos en casa a que lean en vez de ver televisión, YouTube, o jugar video juegos durante esta semana. Estudiantes que traigan su "Yo leí en vez de" obtendrán un premio. Buenos hábitos de lectura son fundamentales para el éxito de adulto.

Al final de Febrero nuestros estudiantes de 5to y 6to grado mostraran sus proyectos de ciencia. Este es el tiempo donde estudiantes trabajan en sus proyectos. Estudiantes empezaron este proyecto durante el mes de Noviembre al buscar su tema. Ellos deben estar en la etapa de experimentación. La feria de ciencia es el 27 de Febrero a las 5:30 p.m. Durante el día los jueces vienen a ver los proyectos y los califican basados en una rúbrica. Familias están invitadas a venir a ver los proyectos y los resultados en la tarde. Si usted conoce a alguien que esté interesado en juzgar por favor de darle la siguiente información Mrs. San Julian, 696-8493.

El Martes, 20 de Febrero invitamos a todos los abuelos a visitarnos para un desayuno. Usted encontrara una forma de permiso junto con esta hoja informativa. Desayuno cuesta \$3.00 y usted puede disfrutar de un buen tiempo con su nieto. Mrs. Molina y los estudiantes de 6to grado estarán disponibles para tomar fotos para que recuerde este evento. Lo esperamos.

Sinceramente,

Jacqueline Camacho
